TAI SOPHIA INSTITUTE ANNOUNCES FALL 2011 OPEN HOUSES

WHEN: Tuesday, October 25 from 6:00 p.m. – 8:00 p.m.

Learn about four of Tai Sophia's master's degree and graduate certificate programs in nutrition and herbal medicine.

New! Master's of Science in Nutrition and Integrative Health

- This distinctive program offers a unique approach to the study of nutrition emphasizing the inter-related physical, medicinal, psychological, social and spiritual roles food plays in our lives.

New! Master's of Science in Therapeutic Herbalism

- Combining practical skills with foundational theory, the program provides a pre-clinical education covering the principles of health and wellness.

Graduate Certificate in Herbal Studies

- This program's emphasis on practical skills ensures that you will learn to incorporate herbs into food preparation and a healthy diet, and prepare simple and useful herbal remedies.

Graduate Certificate in Medical Herbalism

- Grounded in both modern science and traditional herbal wisdom, the program provides health care professionals with an integrated and comprehensive perspective on the use of herbs and supplements.

To RSVP and for more information, please contact the Office of Graduate Admission at 410-888-9048 ext. 6647 or admissions@tai.edu. All events are held at Tai Sophia's main campus in North Laurel at 7750 Montpelier Road (near the intersection of Rte. 29 and Johns Hopkins Road).

ABOUT TAI SOPHIA INSTITUTE

Founded in 1974, Tai Sophia Institute (<http://www.tai.edu>), is a private, nonprofit, educational institution for health and wellness studies. The Institute is accredited by the Middle States Commission on Higher Education. It offers master's degree programs in Acupuncture, Therapeutic Herbalism, Nutrition and Integrative Health, and Transformative Leadership and Social Change; graduate certificate programs in Health Coaching, Herbal Studies, Medical Herbalism, Transformative Leadership, Wellness Coaching, Chinese Herbs, and a new post-master's certificate in Women's Holistic Health; individual graduate courses; and, community wellness programs, as well as continuing professional education and clinical services. The Institute's 12-acre main campus in Laurel, Maryland, also houses a bookstore, a library, and herb and meditation gardens, all of which are open to the public. # # #
